

Post_title: 58: Moulton Seas End

ID1: 1692

comment_author: G R Merchant

comment_content:

has resubmitted a site that was previously submitted to the Strategic Housing Land Assessment. It was given the reference Mou036.

Officer Comment:

The site is considered to be unsuitable, due to conflict with the emerging Plan's locational strategy, in the Strategic Housing Land Assessment.

Officer Recommendation:

No change to the approach is required.
