PART B:

Please fill in a separate Part B for each comment you wish to make

1. To which Main Modification does your comment relate?	
Please state the relevant reference number that you are commenting on from the Schedule of Proposed Main Modifications (e.g. MM008):	MM PMM009
Description of the proposed Main Modification (e.g. Policy 8 Improving South East Lincolnshire's Employment Land Portfolio, or Para 4.2.9, or Inset Map 19 Moulton)	Policy 8

2. Do you consider this proposed Main Modification is:		
A. Legally compliant?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
B. Sound?	Yes <input type="checkbox"/>	No <input type="checkbox"/>

3. If you consider the proposed Main Modification to be unsound please identify which test of soundness your representation relates to: 'Sound' means: is the Main Modification justified, effective, positively prepared and consistent with national policy?	
Positively Prepared	<input type="checkbox"/>
Justified	<input type="checkbox"/>
Effective	<input type="checkbox"/>
Consistent with national policy	<input type="checkbox"/>

Your representation should succinctly cover all the information, evidence and supporting information necessary to support/justify your representation and any suggested changes.

4. Please give details of why you consider the Local Plan is, or is not, legally compliant or sound?

Please be as precise as possible.

With regard to Lincs Gateway, the proposed range of uses insufficiently broad. It includes only B1, B2, B8, A3 and A4 uses. It omits C1 use, which is mentioned in Policy 7, and reflects the presence of a hotel on the southern part of the site. It also omits mention of D1 and D2 uses, despite the fact that the outline planning permission included allowance for a conference and function centre, in D1 and D2 uses. The Council have recently granted consent for this use to operate on the northern part of the site, and the policy (and ideally also Policy 7) should be amended to reflect this.

As a further matter of correction, we note that the Lincs Gateway site has three access points, not two.

Please continue on a separate sheet / expand box if necessary.

5. Please set out what change(s) you consider necessary to make the proposed Main Modification to the Local Plan legally compliant or sound, having regard to the test you have identified in Q3 where your comment relates to soundness.

You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text Please be as precise as possible.

the reference to the use classes of new development at Lincs Gateway within Policy 8 should be amended to also include C1, D1 and D2, in line with the planning permission for the site.

Please continue on a separate sheet / expand box if necessary.

6. Do you have any comments on the updated Addendum to the Sustainability Appraisal or Addendum to the Habitats Regulations Assessment in respect of this particular modification?

JOINT COMMITTEE RESPONSE FORM

REP: MM50

PMM REF: PMM009

The Joint Committee considers that the reference to Site SP002: Lincs Gateway, Spalding in Policy 8: Prestige Employment Sites should **only** include Use Classes **B1, B2, B8, A3, A4 and C1**. This would be consistent with the provisions of Policy 7: Improving South East Lincolnshire's Employment Land Portfolio.

Notwithstanding the extant planning permission, the Joint Committee does not support the inclusion of Use Classes D1 and D2. The reason for this approach is to assist in the protection of the vitality and viability of Spalding Town Centre.
