Please be as precise as possible.

Welcome the amendment to extend the Spalding Western Relief Road (SWRR) safeguarding corridor to include land north of MON008 and to show sections 1-5 of the SWRR.

The extension to the north of MON008 shows the proposed spur from the SWRR to Wygate Park, as promoted in the County Council's paper on the route of the road. The amendment was also agreed in the Statement of Common Ground agreed between Mr Smith and the South East Lincolnshire Joint Strategic Planning Committee. The spur will provide access between the SWRR and the substantial area of existing and proposed residential development.

The PMM delivers changes agreed through the examination process.

Please continue on a separate sheet / expand box if necessary.

**5. Please set out what change(s) you consider necessary to make the proposed Main Modification to the Local Plan legally compliant or sound, having regard to the test you have identified in Q3 where your comment relates to soundness.**

You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text Please be as precise as possible.

No changes considered necessary.

Please continue on a separate sheet / expand box if necessary.
