Subject: South East Lincolnshire Local Plan 2011-2036: Further Main Modifications Consultation

Dear Elaine,

Thank you for the opportunity to comment on the South East Lincolnshire Further Main Modifications consultation. The following response is submitted on behalf of Anglian Water.

Having reviewed the further main modifications proposed by the South East Lincolnshire authorities these do not appear to raise any issues of relevance to Anglian Water. Therefore we have no comments to make regarding the further main modifications to the Local Plan.

The above comments should be read together with Anglian Water's response to the proposed Main Modifications consultation submitted earlier this year.

I would be grateful if you could confirm that you have received this response.

Should you have any queries relating to this response please let me know.

Regards,

Stewart Patience
