Subject: RE: South East Lincolnshire Local Plan 2011 - 2036: Further Main Modifications Consultation - Amended Date

Dear Peter

Thank you for consulting Norfolk County Council on the above Local Plan further main modifications consultation.

At this stage it is not considered that the Further Main Mod consultation raises any strategic cross-boundary issues with Norfolk County Council. Obviously you would consult the County Council when you review your Local Plan. I assume, under your statutory duty to co-operate (Localism Act 2011), that if you feel there are any strategic cross boundary issues arising or likely to arise that you would seek further discussion with Norfolk County Council i.e. through myself as the first point of contact.

If you have any queries with the above comments please call or email me.

Kind regards

Laura
