

South East Lincolnshire Local Plan 2011-2036 Preferred Options Consultation May 2013

Chapter_Name: 12 Key Diagram

Response_Number: 52

Persons_Name: Mrs J Hill

Representing_Who?: Herself

Respondents_Comments:

The maps you have included seem to be deliberately drawn so that no one can see exactly where these proposed development will be since, not a single place name is shown.

Officer_Response:

These issues have been adequately addressed in the Preferred Options Document. The key diagram is not based on a detailed OS map. It is only to provide a broad indication of proposals. More detailed maps will be produced in the Local Plan.

Officer_Recommendation:

Objection - No change to the approach is required.
